

## Post-Doctoral Position

### The Center for Translational Research in Oncology, Instituto do Câncer do Estado de São Paulo (ICESP), São Paulo, Brazil

The Center for Translational Research in Oncology at ICESP invites applications to one Post-Doctoral Position, under the supervision of Dr. Laura Sichero. She received a grant from the São Paulo Research Foundation (FAPESP), and will select one Post Doctorate to participate in the project. Applicants must have a degree in biology, biomedicine or related discipline. Review of applications will begin immediately and continue until February 28th. Candidates must have completed their PhD at most by March, 2022 and have fluent English. Further, experience with Virology, Cancer and Transcription is encouraged. Having worked with cell culture, western blot, CHIP and reporter assays is an asset.

The position is open to Brazilians and foreigners. The selected candidate will receive FAPESP Post-Doctoral Fellowship in the amount of R\$ 7,373.10 per month and Technical Reserve equivalent to 15% of the annual value of the scholarship to meet unforeseen expenses directly related to the research activity.

Those interested should send the curriculum vitae, two letters of recommendation and a motivation letter to Prof. Dr. Laura Sichero at [laura.sichero@hc.fm.usp.br](mailto:laura.sichero@hc.fm.usp.br).
